

UNITED STATES DISTRICT COURT
DISTRICT OF NEW HAMPSHIRE

Andrew Frost

v.

Case No. 08-cv-193-PB

United States of America

ORDER

Re: Document No. 1, 2255 Motion

Ruling:

This petition rehashes arguments that the court considered and rejected when it denied petitioner's section 2255 petition. As the government correctly notes, neither audita querela nor any provision of the All Writs Act entitles petitioner to review by this court of what is in effect a second section 2255 petition. For these reasons, the petition is dismissed.
